Meeting: Tuesday, June 29, 2010 at 11:00  
a Community Center, 119 6th Ave NE, Rolla,

Just a rundown of the weather pat-  
terns in St. John, North Dakota: April  
was a beautiful month, with all of the  
snow melting and just about gone by  
the 10th of April, ice was melted and  
lakes were open by the 15th, then the  
trees started budding. Along came  
May and with it the showers and  
colder weather we should have had  
in April, with very few real nice  
days. Now we are almost in the mid-  
dle of June, with showers continuing  
almost every other day. Temperatures  
are a little cool for this time of year,  
but it seems to be excellent growing  
weather, judging by how often the  
grass has to be cut!

The Rolette County Historical So-  
ciety had their June meeting on June  
6th at 7:30 p.m. at the museum site  
in St. John. Members present were  
Dick Johnson, Chick LaRocque, Bob  
Fahrnkoff, Larry & Becky Leonard,  
Lee Rahm, Evie Bryant, Helen Bel-  
garde and Charmane Disrud. Several  
of the topics of discussion were: Fin-  
ishing the Blacksmith shop as soon  
as possible, application of grants for  
floor in Building #2, for work at  
Coghlan Castle and painting of the  
Martineau House, etc.

Gloria "Tweets" Haas is doing a  
fantastic job at the Martineau House,  
opens the door each weekday at  
10:00 a.m. to 2:00 p.m. She is also  
working on an inventory which in it-  
self is a huge job.

Tom Hanlan planted the flowers  
in the wheel on the grounds at the  
museum site and it looks very beau-  
tiful. Lee Rahm reported on the Gurr  
Building in Rolette, lots to be done  
there to get their museum up and run-  
ning.

Becky reported that Jessica Riepl,  
inspector for the State Tourism and  
Parks Board, came and inspected the

ATV Park in St. John and the  
Wakopa Trail, both of which were  
funded by a grant from the State. On  
Friday, June 4th, Becky received an  
e-mail from Jessica that she was  
pleased with her final inspection of  
both projects and thought the com-  
munity did a fine job. She has re-  
quested the final payment to be sent  
and projects closed. A big thank you  
to Becky for all her hard work and  
time for securing these grants.

The Historical Museum is now  
open every Sunday from 2 to 4 p.m.  
through the summer to Labor Day.

The next meeting of the Rolette  
County Historical Society will be at

2:00 p.m. on July 11th, due to the 4th  
of July falling on the 1st Sunday.

The water and sewer has been dug  
in to the three residences located on  
the old ball diamond and they should  
be finished and ready for new own-  
ers by July 1. Interested buyers can  
contact Becky Leonard of Vintage  
Restorations at 477-3149.

The picture featured in this  
week's St. John news is a brand new  
baby fawn which was almost stepped  
on by Mike and Donovan Law near  
Rolette recently.

Mike and Donovan are grand-  
sons of Laura Thompson Law, the  
author of the book "The History of

Rolette County and Years of the Pio-  
neers" which was published in 1953.

Mike and Donovan of Moorhead  
and West Fargo, toured the Coghlan  
Castle, the Martineau House and the  
Rolette County Historical Society  
Museum site last week and gave the  
picture of the fawn to Helen Bel-  
garde.

They said that the fawn was one  
of a set of twins, but the mother deer  
had moved the other one before the  
picture was taken. Evidence shown  
that they had just been born a short  
time before.

## Local retired federal employees attend meeting

%The North Dakota Federation of  
the National Active & Retired Federal  
Employees Association (NARFE)  
held its 37th Annual Statewide Con-  
vention at the Radisson Hotel in Bis-  
marck, North Dakota on May 5  
through 7, 2010. Members represent-  
ing all eight North Dakota NARFE  
Chapters from Fargo, Grand Forks,  
Bottineau, Minot, Williston, Dickin-  
son, Bismarck-Mandan, and Valley  
City areas attended the Convention.

Turtle Mountain Chapter #2168,  
Bottineau, was represented by dele-  
gates, Helen Knutt, President, from  
Rocklake, and Frances Wall, Second  
Vice President, from Bottineau, and  
the State Alzheimer's Committee  
Chairman, Art Lund, of Bottineau,  
who has also been Chapter Alzheimer  
Chairman, holding both offices for  
about 4 years. During the convention,  
Art Lund's chairmanship of the State  
Alzheimer's Committee passed to  
Darlene Danielson, who has been ac-  
tive in Alzheimer fundraising as the  
Bismarck-Mandan Chapter  
Alzheimer Chairman.

NARFE members attended leader-  
ship training seminars, Helen Knutt at-  
tending the session on  
communications, Frances Wall attend-  
ing one on duties of the vice presidents;  
Art Lund attending the session on du-  
ties of the service officer.

Bismarck Mayor John Warford  
welcomed the Convention goers to  
the Bismarck-Mandan area. North  
Dakota Senator Kent Conrad, Sena-  
tor Byron Dorgan, and House Repre-  
sentative Earl Pomeroy also greeted  
the NARFE members. NARFE's Na-  
tional President Margaret Baptiste  
addressed the North Dakota Federa-  
tion Convention via a digital video  
message. Jacob Cassady, a Legisla-  
tive Specialist, from NARFE's Na-  
tional Headquarters in Alexandria,  
Virginia, and Regional Vice President  
Richard Thomas from Lake County

related to federal employees and re-  
tirees. Merl Paaverud, Director of the  
North Dakota State Historical Soci-  
ety described the expansion plans for  
the North Dakota Heritage Center.

The Bismarck-Mandan Elks  
Men's Chorus provided musical en-  
tertainment during the Thursday  
evening dinner Banquet. Charitable  
donations of over \$1400 were raised  
by a silent auction of theme baskets.  
Seven of the 48 baskets were donated  
by the Turtle Mountain Chapter. The  
funds raised by the silent auction and  
also contributions of proceeds from  
two booths, Just Jewelry and Taste-  
fully Simple, and from a raffle on a  
painting of pelicans landing on a lake  
contributed by Chris Wingire, Presi-  
dent of the Bismarck Chapter, are  
being added to the nationwide  
NARFE Alzheimer's Research Fund  
of nearly \$9 million. Contributions  
are kept separate from NARFE funds  
and no administrative costs are de-  
ducted from these donations, making  
NARFE fundraisers for Alzheimer's  
research ideal for making donations  
to this worthy cause. Another benev-  
olence of NARFE is college scholar-  
ships for high school seniors who are  
children, stepchildren, grandchildren  
or great grandchildren of NARFE  
members in good standing.

NARFE is the only association  
dedicated to safeguarding and en-  
hancing the benefits of America's ac-  
tive and retired federal employees,  
and their survivors. NARFE mem-

bership totals over 300,000 federal  
workers and retirees, including more  
than 1600 members in North Dakota.  
NARFE is planning for it's 90th An-  
niversary celebration in 2011.
